The Honorable Stansfield Turner
Director
Central Intelligence Agency
Washington, D.C.

Dear Sir:

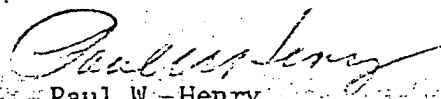

Since it was not possible for you to accept our invitation to speak to the Comstock Club at the time of our last correspondence, we hope you will be able to do so sometime this year.

The Comstock Club provides an impartial podium which has been graced by outstanding individuals from all walks of life. Over the past several years hundreds of noted Americans have addressed the influential businessmen and women, educators, political and professional people in the Sacramento area who comprise the club's membership.

We would be honored by your appearance before our rapidly increasing membership, drawn from the Great Central Valley of California. It is through informed individuals like yourself, Mr. Turner, that the community and the nation are kept aware of the problems confronting the world today.

Would you be good enough to tell us if your schedule would permit you to speak to our club?

Sincerely,

Paul W. Henry
President
